

St. Mary School System

“The Pursuit of Excellence through Christ”

Paducah, Kentucky

Dear Parents,

On the St. Mary website, www.smss.org, there is a link to the 2016-17 PARENT/STUDENT HANDBOOK AND CODE OF CONDUCT. It may be found under the heading *Parents & Family* at the bottom of the drop-down menu.

We ask that you please read through this handbook, sign the form below, and return it to the school office by Wednesday, August 24th. If you have more than one child in the system, you may put all their names on one form.

We will also be going over key parts of the handbook with students from 4th through 12th grades and having the students sign that they understand their responsibilities as part of the system.

If you have any questions, please contact your building principal or me.

In Christ,

Eleanor Spry
System Director
