

**Ms. Wright
ENG 10
2017-18 Summer Reading and Supply List**

You may use hard or electronic copies of the books. If you use electronic copies, please use an E-reader (iPad, Nook, Kindle, etc.) NOT your cell phone. These books can be purchased online or at a local bookstore.

I suggest that you take notes as you read. Underline parts that you think are interesting or confusing, write questions, and annotate passages. If you do not feel comfortable writing in your book, jot down these notes on Post-Its in the text or on a separate piece of paper. Bring thoughts and questions about the books to class in August. Be prepared to talk about the them! The incoming sophomore class is required to read the following two books over the summer. There is no written assignment to turn in when school begins; however, we will start the semester with a quiz over the readings.
