

Parents! Looking for a way to reduce your yearly tuition expense and help St. Mary without spending a single additional penny or participating in traditional fundraising efforts? Read on....

What is Scrip?

Scrip is simply a term that means “substitute money.” Scrip fundraising is a no-selling program that allows St. Mary families to raise money for the school and for their tuition by using gift cards, or scrip, to pay for everyday purchases.

Families order gift cards from our St. Mary Scrip program and pay face value, and then St. Mary Scrip orders the gift cards from Great Lakes Scrip Center and local retailers for less than face value. St. Mary keeps the difference, or discount, and that’s where the fundraising comes from.

The best part: St. Mary then splits this discount with you, so you raise funds for St. Mary, and you raise funds to be applied to your next year’s tuition payment. **Remember: 50% of the profit you bring in is applied to next year’s tuition bill!**

It’s really that simple!

When families use scrip gift cards instead of cash, checks or credit cards at their favorite retailers, they are fundraising while they shop. We have a huge variety of retailers, including grocery stores, like Kroger and Walmart, restaurants, gas stations and so much more, so it’s easy to make scrip a part of any shopping routine.

Just by regularly using scrip for weekly purchases, a single family can easily generate \$500 in purchases or more annually toward their fundraising goal! It is simple. You adjust your shopping habits and save!

It’s time to put your shopping dollars to work! Get Scrip Smart.
